*The Creative Independence Fund (CIF). The CIF will raise funds to defray some of the cost of producing our shows!

**A vibrant web presence is critical for a thriving club. It costs about \$200 a year to deliver you can-spam act compliant emails, online registration, online dues renewal, credit card payment options, and a socially integrated place for us to share and promote our club. Please consider chipping in to help keep the Law Club in the 21st Century.
